edition, like in its previous editions, highlights the 'modern', analytical approach to corporate finance decision-making. The text material has been structured to focus on finance theory and its implications in the financial decision-making process and policy.

Financial Management

Download Ebook Financial Management 11th Edition

This is a very readable overview of key concepts in financial management. It was recommended to me by a colleague who had read an earlier edition. I purchased the most recent (11th) edition in part because it is advertised as including access to new McGraw-Hill Connect supplementary materials (online quizzes, tools, etc).
