### Thinking Through Animals Identity Difference

The identity approach aims to establish continuity among human beings and animals so as to grant animals equal access to the ethical and political community. The difference framework views the animal world as containing its own richly complex and differentiated modes of existence in order to allow for a more expansive ethical and political worldview.

### **Thinking through animals : identity, difference ...**

This approach is referred to as the identity approach, inasmuch as it finds its ethical and political framework on human-animal identity. While identity theorists do not maintain that human beings and animals are identical in every respect, they do argue that our shared evolutionary history has given rise to fundamental similarities in terms of key ethically relevant traits.
